

FCC March 8, 2022 Collaborative Meeting Notes

- I. Michelle Winning Cade presented [Unite Georgia](#), a coordinated care network bringing together community-based organizations, health care providers, and public agencies. The network allows providers to seamlessly refer individuals and families with the greatest needs to social services such as housing, interpersonal violence, food assistance, job training, and more, all while tracking outcomes. Partners in the network are connected through a shared technology platform, [Unite Us](#), which enables them to send and receive electronic referrals. There is no charge for community-based organizations. There are virtual Community Information Sessions and our first Southern Regional in-person event! Our in-person event will be March 31st from 11:30 am to 1 pm in **The Atrium 114 N Peterson Ave Douglas, GA 31533**. Unite Us has several open positions, including remote, as we are growing nationwide. <https://uniteus.com/our-careers/>
- II. michelle.cade@uniteus.com 229.270.5256 cell: 240.440.1364
- III. Family Connection Camden Executive Director, April Jeans presented the FCC FY23 Annual Plan draft. The FCC FY23 Annual Plan indicators; Children, birth through 4, enrolled in the WIC program, Children enrolled in Medicaid or PeachCare, teens not in school and not working, Children whose parents lack secure employment, poverty, families with children annual income less than 150% of the federal poverty threshold, and childhood obesity. **Desired Outcome: Improved healthy lifestyles and school success Strategy:** Family Connection Camden and community partners will work together to provide education, awareness and provide activities, programs and services to promote healthy lifestyles and ensure school success with young adults to improve family wellbeing. Asking the FCC collaborative partners for suggestions and participation with planning and implementing activities to address the indicators.
